Term 3 Holidays
I wish all of our wonderful families a safe, sunny and happy holiday. I can’t believe we are already at the end of term 3. I look forward to seeing all of our students, parents and staff in term 4.

Healthy Lunch
Yesterday the students, staff and parents joined in a wonderful whole school community activity – The Big Healthy Lunch. Some of the staff dressed up as their favourite vegetable and even made a short video. The students had a wonderful time making their own delicious sandwiches and really got into the spirit of celebrating together. It was lovely to see a number of parents also attend and join.
Thank you to Ms Mara for organising the event, and for all of the staff who went to a great deal of effort to create their vegetable costumes.

CCTV @ Lyndale Greens PS
School Council has approved the installation of CCTV throughout the school. Whilst we are extremely fortunate with our security and student safety and have minimal issues, our focus is about being proactive and preventative.

I’m sure all of our community will welcome our continued focus on safety and protection of our school facilities. CCTV cameras will be installed during term 4 and signs will be posted across the school to inform our school and local community.

We have worked hard as a school community to provide the very best facilities and learning environment for all of our students, and we want to ensure that now and well into the future, we continue to have an outstanding school, and school facilities for all. Many schools have installed CCTV, and local shopping centres and main streets often have CCTV. Most people don’t even notice the cameras and simply go about their normal activities. I welcome any parent to come and speak to me if they have any questions.

Request from the Office – Change of information
If you have recently changed address, telephone numbers, or need to change your emergency contacts or any other details, please contact the school office. It is important that this information is up to date if we need to contact you for any reason.
Grade 6 Graduation Photo
On Tuesday 7th October the grade 6 students will be having their Graduation Photo taken.
