**Hot weather and Hats**
Thank you to all of the students who have found their hats or purchased a new hat. It is extremely important that ALL students have a broad brimmed or legionnaire’s hat during terms 1 & 4. Many grades have organised outdoor excursions and some children may not be able to attend if they don’t have appropriate school uniform which includes a hat.

**Bike Rack (30 places only) – Child safety!**
Children riding to and from school must have a good knowledge of Road and Bike Safety.
We have finally finished our bike rack area for children to safely store their bikes. However, before you allow your child to ride their bike to school, please remember that their SAFETY to and from school is the responsibility of parents.
At this stage, only children in Grades 4-6 are permitted to bring their bikes to school. Children must have a proper helmet. The Bike must be in good working order – (parent responsibility). If you are allowing your child to ride their bike on their own, please ensure they have a good understanding of road rules.
- The bike rack will not be open until 8.45.
• NO Student is allowed to ride their bike anywhere within the school ground. If a child is caught riding their bike within the school grounds, they will not be allowed to bring their bike to school.

Staff Professional Development
Over the next couple of weeks a number of staff will be attending a range of professional development days. It is important that our staff has the most current and highly informed pedagogical practice.

Lyndale Greens Choir
Congratulations to the Lyndale Greens Choir for their wonderful performance last Tuesday. The choir entered a competition called “The Voices Of the Choir” in which twelve schools in our region competed. We received the “Most Improved” award. The students sang beautifully and behaved in a way which made us all feel proud. A special thanks to Ms Del who trained the choir so proficiently.
