<tr>
<td>Tuesday</td>
<td>17th March</td>
<td>NAPLAN Information &amp; Parent Workshop</td>
</tr>
</tbody>
</table>

**Principal Leave**
During the week of 23rd – 27th February I will be on leave. Mrs. Karen Hall will be the Acting Principal during my absence.

**Medical Conditions**
If your child has any medical condition it is vital to let their class teacher and the office know at the start of every year. Although handovers are done from teacher to teacher, it is important teachers and the office to hear this information first hand from the parent. If your child has anaphylaxis or asthma plan, these need to be provided to the school office as well as their puffer or epipen. Both must be clearly labelled with your child’s name.

**Medication**
Staff can only administer basic medications, and ONLY if the parent has provided written notification and the medication is in its original packaging. All containers must be labelled with your child’s name, the dose to be taken as well as when and how it should be taken.

**Personal Goods brought to School at Owners Risk**
Personal property is often brought to school by students, staff and visitors. This can include mobile phones, electronic games, toys, sporting equipment and cars parked on school premises. The Department of Education does not hold insurance for personal property brought to schools and has no capacity to pay for any losses or damage to such property.

**Student Accident Insurance**
This is a reminder that the Department of Education does not provide personal accident insurance for students. Parents/Guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. Accident insurance is available from commercial insurance companies.

**Anaphylaxis Reminder**
In line with our Anaphylaxis policy, we remind parents and students that we do have a number of students with nut allergies and we ask that students do not bring nuts or nut products to school.

**We are committed to:**
- Providing as far as practicable, a safe and supportive environment in which students at risk of anaphylaxis can participate equally in all aspects of school
- Raising awareness about allergies and anaphylaxis in the school community
- Actively involving parents/carers of each student at risk of anaphylaxis in assessing risks, developing risk minimisation strategies and management strategies for these students.
- Ensuring each staff member has adequate knowledge of allergies, anaphylaxis and emergency procedures.
School Photos

School photos will be taken on **Tuesday 10th March**. All students must be in correct school uniform. Envelopes showing prices and package options will be sent home with each student next week. If there are two or more students from the same family at Lyndale Greens Primary School, the parents may wish to also have a family photo taken. Family photo envelopes will be available from the office.

The completed envelopes and correct money must be returned to school on Photo Day Tuesday 10th March.

*Please note there will be no change available at the school office.*

Subway Lunch

**Orders $6.00**

Once a week students are able to order a Subway Lunch. Orders must be returned on Thursday for lunch on Friday. For $6.00 you can choose a Six Inch Sub (with your choice of meat, salad and sauce), an apple or a cookie and a drink of juice or water. An order envelope will be available from the teacher or the office each week and set out below are the menu options.

If you wish to place an order, fill in the order envelope and return to the school on **Thursday by 10am together with $6.00 (Please enclose correct money)**.

*Please Note: Subway lunch orders are a set menu meal offer. No variations can be accepted*

**Sizzling Starts – Grade 3A & 3B**

Students in Year 3 have been working on writing exciting “Sizzling Starts” that contain some great WOW words.

“Thank goodness I’m still alive! Where am I?”

This place is amazing. The trees are green and the coconuts are brown. It was getting dark so I put up my tent and went to sleep. *By Khiya, Red Group*

“Finally I found land! I can see the hot, golden sand on the island. I can see the fresh milky coconuts just hanging on the smooth branches. Yay!” I reached the island so I ran as fast as I could just to get that delicious coconut. I was so exhausted and I needed to relax.

**Movie Recount by Moataz 6A**

As we were boarding the luxurious Emirates Airlines to Sudan, I was so excited to watch a good movie on the way. We had just entered the best plane in the world. I wanted to sit near the window but I had to sit in the middle row.

I sat down in the middle row waiting for the plane to take off already so I could watch my movie. When we were in the air, the TV screen appeared and I tapped on movies. I started scrolling down the screen feeling curious to know what the movies were on offer, White House Down appeared!

I quickly tapped on White House Down then I got attached to the movie as soon as it started. After a while, the action started to rise then “BOOM!” they had bombed the city. Next, the car demolished the walls then it drove through the White House gates. A few seconds later, another car blasted through a wall and this time, it was a bulletproof car.

When I was watching the movie, I was too attached to it that I didn't notice what was happening inside the plane. I didn't know that there was food was in front of me. I couldn't even hear my siblings and mum surrounding me or the footsteps of the flight attendant. When the movie finished, the end was romantic and love started to fill the air. “Ahhh... well that was an extraordinary movie,” I sighed. I told my brothers how good the movie was and then I was going to start another movie but the trip had to end. I felt so relaxed. I hope you liked my recount and I recommend you see White House Down (with parental guidance 😊).
