**Wednesday 16\(^{th}\) December - Grade Lists**
Grade lists will be displayed on the wall near the office on **Wednesday 16\(^{th}\) December** at 2.15pm. Parents are welcome to come and view the grade lists, please be advised they will not be available for viewing before 2.15pm.

**Parent Requests**
On Wednesday 16\(^{th}\) December, your child will have the opportunity to meet the teacher they will have in 2016. This is usually a wonderful time for your child as they also meet other students as well as their new teacher.

The school invites parents to submit requests for class placements for 2016. The intention of parent requests is not meant to be an open forum for requesting teachers, friendship groups, etc.

Parents cannot request teacher placements unless you have spoken directly with the Principal.
The rationale behind this is to ensure that the school is fully aware of any significant information that may impact on the placement of a particular child in a class. For example, a child may have a specific emotional need or there may be a history of personality clashes or family conflict that the school needs to be aware of.

When placing your child in a class, the school considers a range of issues including the academic and social needs of your child, the mix of student groupings, class sizes, previous class and teacher placements as well as parent requests.

We take all requests seriously and endeavour to meet parent requests where possible, but the final decision on placement is based on careful consideration of all the above issues. **Parent requests must be submitted to the Principal by Wednesday 2nd December** to enable your request to be considered.
