LYNDALE GREENS PRIMARY SCHOOL MULTICULTURAL DAY CONCERT

We are having a Multicultural concert on Wednesday 9th November at 9am in the courtyard. There will be singing, dancing and instrumental performances from students and parents.

All students can dress in their national costume or colours of their country or flag.

All families and local community are invited to attend

Curriculum Day
Friday 18th November.
Students do not come to school on this day.

Little Devils School Concert – Wednesday 30th November

Tickets go on sale from Monday 31st October, 16

The students have started learning about a range of activities with the Little Devils Circus teachers. They have been learning about juggling, spinning, spinning tops and a whole range of other exciting and challenging activities. The Concert will be held at the Drum Theatre. An information sheet and order form is attached to this newsletter.
**Science Talent Search Presentation at La Trobe University**

Students in 4B went to La Trobe University on Monday 24\(^{th}\) of October to accept their minor bursary for their class project entitled ‘Secrets of Sand’.

Crystal: I felt happy and excited.
Hayah: It was an amazing experience.
Cyrus: I felt famous and important
Marko: I felt confident and proud.
Christina: All of the projects were amazing and cool.

Thinking about the good points of our Science Talent Search experience.
Mohammed: You learn interesting things.
Haneen: There was a boy that said it took 2 days just to plan. Everything went wrong. Then it took a further 1 month to get things right. He really persisted.
Isabella: You see new things that show students learning and their effort.

Dear Teachers,
Hi my name is Lakshethaa and I am one of the students in Mrs Kiss von Soly’s class. I was also a part of the science talent search project we made and presented to the judges. Our project was about sand and I want to tell you that it was the greatest thing that I have done together with my class Ever! We had so much fun, we experienced problems and found the solutions, but the best thing about it is that we learn and we learn so much!

While having fun of course! The project I did was so educational to me and my classmates. Being a part of Science Talent Search is so great! You get to do amazing projects about unique things planning, researching and creating. When we asked questions and made predictions we felt like real scientists. I hope you will agree with my idea that being part of Science Talent Search will make a difference to our classes.
Sincerely Lakshethaa 4B

**Special Award for Lyndale Greens Primary**

The Peter Craig School Award was awarded to our school for the consistent effort and quality of Science Projects over many years. That is a great effort from the students, teachers and Mrs Judith Sise for their organization, persistence and interest in science.
Voices of the Choirs
Some Year 4, 5 and 6 children participated in the ‘Voices of the Choirs’ competition at Wallarano Primary School. We competed against 11 other schools. Each choir had to sing 3 songs; an Acapella, Aussie and Free choice song. Lyndale Greens won the Free choice category for singing “Flashlight” very well. Below are some student comments:

I really enjoyed choir this year. I had a lot of fun practising and preparing for the competition. I learnt how to harmonise with the rest of the choir and learnt to Pitch. **Aleyna**

I learnt a lot and enjoyed participating in the choir competition. I was very confident as long as people were singing with me. It was fun, I loved listening to the other schools: they sang pretty good songs. We won the “Free Song Choice” award. **Moulya**

In choir I liked that we won the song of choice. I never expected it to be that much fun. **Mario**

In choir the thing that I liked best was singing Acapella. It is really nice when we have to work as a team to do it. For example, one group says something and the others say something else. **Sensorika**

I enjoyed doing choir and see everyone sing and enjoy themselves. I learnt how to sing better by doing Mrs. Dell’s practice song “Do Re Me.” In the end it was a great experience. **Michelle**

I really enjoyed choir this year! I learnt how to pitch properly and harmonise with other people. I liked working with my friends and participating in the competition. **Abiha**

LGSP Maths Challenge
Congratulations to the following students and their families for successfully completing our second **Lyndale Greens Maths Challenge**:
Roshan Prep A and Lakshethaa 4B
Suraya 2A and Helia 2A
Debbie 3B, Claire 3B, Mahasri 3C, Jay 3C, Neshat 3C, Aariya 3C, Aakhilesh 3C and Meena 3C
Deeksha 4D
Nidarshan 5A

A special mention to the Debbie, Mahasri, Jay, Aakhilesh, Deeksha, Nidarshan and their families for completing more than one challenge! Outstanding effort! Our prize winner was Nidarshan Govindasamy in 5A.

Congratulations to Nidarshan and his family.
Make sure you complete the Maths Challenge this week with your family to be in the running to win a board game at next week’s assembly.

Community Announcement

St Marys Cricket Club in Dandenong are looking for juniors aged 10 and under. Sessions are run every Saturday morning from 10AM. For further details please contact Charith on 0401 443 546 or alternatively visit www.stmaryscricket.com.
Term 4 Week 4

Here is this week’s family maths challenge! These are open-ended, fun activities for you to work on together as a family. We have set three different challenges: junior primary (Prep, Grade 1 & Grade 2), middle primary (Grades 3 & 4) and upper primary (Grades 5 & 6) so you can choose your own level. You might even want to work on more than one!

Make a poster to present your solutions to the challenge; remember to show us how you worked it out with drawings, diagrams or calculations. You may even like to include some photographs of you and your family working on your challenge together.

There will be a certificate for every family who completes the challenge each week presented at assembly! Families who successfully complete the challenge will have their name entered into a prize draw to be announced at assembly also.

Please hand your completed posters to Mrs Moorman or Mrs Henderson by Friday, 4th November.

The PRIZE each week will be a board game you can enjoy as a family.
Lyndale Primary School
